Key Design Elements

1. Supportive Educational Environment

To ensure that students grow into productive citizens that use their knowledge, talents, and skills to sustain themselves and help others.

2. Rich, Rigorous, Engaging Curriculum

Increase student performance with clear learning outcomes along with matching assessments, engaging learning experiences and instructional strategies.

3. Extended Learning Opportunities

Improve student learning and preparation for the future through technology rich programs and experiences.

4. Authentic Family Involvement

Improve student learning by providing more opportunities for parent information sessions and involvement with their child's education.

5. Data Informed Instruction

Improve student learning and student performance for ALL students measured by multiple and varied assessments.

6. Focused Professional Development

Improve student learning by providing more opportunities for professional development for staff and by annually assessing our progress.

7. School Culture

Improve student life and school climate through school-based and community-wide programs and experiences that promote communication and engagement.
